

Family #6. “What God Says About Sex.”

Listen!...to some of the popular beliefs about sex:

- If you can't be with the one you love baby, love the one you're with.
- Casual sex is pure fun.
- Any sex is good sex so take what you can get—you ain't seen nothin yet.
- Sex is only messed up because prudish people keep it hushed up.
- We should be making love instead of wastin time with someone else.
- People who are not sexually active are prudes or mentally messed up.
- I'm a man, I'm a man and so's Lola.
- Casual sex is not only pure fun it is also absolutely harmless.
- I never even knew her name. What a lady, what a night.
- Good sex has a great deal to do with technique and very little to do with relationship.
- Sex is an “amoral” like bowling, reading, and laundry.
- POV: two sex writers.

Why talk about this? We are all sexual beings and we had better understand what is true about sex or we will misuse sex.

- My dad invented the “Handipacker.” (Patented and copyrighted.) If you want to know about the Handipacker ask him—he is the world's foremost expert.
