

The King and His Kingdom

Listen! We are looking forward to vacation in Colorado, to be with family & friends, in cool weather, to see glorious sights, to eat good food, to have enjoyable activities.

- Anticipating this time puts a smile on my face.

Question: What are you looking forward to?

Today's Idea: The Kingdom of God has been promised to the King and to His subjects. Anticipating its glory and the glory of the King will keep the Dream alive and put a smile on your face.

The King.... Isa 9:6-7

- Promised a kingdom
- Characteristics: Global, Peace, Righteousness/Justice, Forever
- Suffered to give us access
- Raised to begin the restoration
- Found worthy to reign
- Ruling in exile
- Returning in glory
- Crowned King of Kings
- Jesus was humiliated in history, he will be glorified in history

The Kingdom, (the realm and the subjects)... Romans 8:16-25

- If children, then heirs
- Suffering, then glory
- Creation delivered from corruption
- The redemption of our body
- Hope, with perseverance
- The Dream is certain, the interpretation is sure

The Take Aways:

- #1 Heaven's future is the Kingdom of God
- #2 Jesus is the Worthy King
- #3 The Dream is certain

The Bottom Line:

The King and the Kingdom of God is the major message of the Bible. The truth and certainty of it is unquestionable. The only question is, "Are you included?"
